

## 2008 Special Rate Family Rafting Trips - Youths get 50% off\*\*

Apart from the price, the other great thing about these rafting trips is that you can rely on having other family groups and kids around. Unlike some outfitters, we customize these trips so ONLY family groups are in the camp and on the same river trip to ensure the very best experience. These trips include mom and dad families, single parent families, grandmothers and grandchildren, etc.

*"The whole weekend turned out so good that we are talking about making this a yearly tradition. I would definitely recommend your organization to my friends. Again thank you."*

*"both girls had a great time and now have some really great stories to tell their friends"*

*"The food was excellent and plentiful and the hospitality was great"*

We would love to have you join us on one of these 2-4 day trips for a safe and memorable family vacation. You do not have to be a serious camper or outdoor person to appreciate river trips. You may select a trip where we utilize developed campsites with hot showers, flush toilets and facilities close to civilization, or a family adventure in wilderness surroundings. If you do not have the time or are nervous about an extended river vacation, select any of our Class 2-3 trips for just a ½ or 1 day. See our [Rafting With Children and Teens](#) information for our recommendations. Discounts of 10%-30%.

One of the most popular runs in the state, exciting and lots of fun, with many memorable rapids. Suitable for adventurous youths from 7-8 years of age, but pick one of the other runs for more timid first timers. Private camp with hot showers, volleyball. Located in the Gold Country and close to the Sacramento, Lake Tahoe and San Francisco areas.

**Lower Klamath**; Class 3 - Weekdays: Adult \$264, Youths \$132 ea; TUE/WED JULY 8/9, JULY 22/23, AUG 19/20.  
(Also available for 3 or 4 days)

A wonderful, semi-wilderness experience. Has fewer Class 3 rapids than the South Fork American, so very suitable for younger or more timid children, but one of the few California rivers that you can raft for an extended multi-day trip. Great wildlife (otters, blue herons, deer, eagles & hawks etc.). Secluded, undeveloped riverside camping. Inflatable kayaks are usually available for the more adventurous child or adult to share. Located in far NW corner of California, near Happy Camp off Hwy 96.

**East Fork Carson**; Class 2 - Weekdays: Adult \$254, youths \$127 ea; WED/THUR JUNE 11/12  
Weekends: Adult \$284, youths \$142 ea; SAT/SUN JUNE 14/15

This is one of our wilderness trips where we actually carry all our overnight equipment down the river in waterproof bags. It is a mellow river suited to some of our younger rafters; but the riverside hot-springs, great fishing, panoramic views of snow capped peaks of the Sierras and clean mountain air appeal to young and old alike. Trip availability depends on snow pack. Located just south of Lake Tahoe.

**Main Trinity**; Class 2-3 - Weekdays: Adult \$239, youths \$119.50 ea; TUES/WED JUNE 10/11, JUNE 24/25:

A great N. California river, close to the scenic Trinity Alps. The first day warms up on Class 2 rapids, the steps up to Class 3 on the second day. Inflatable kayaks can be available for the more adventurous child or adult to share. Nice grassy, shady base camp right on the rivers edge. Located between Redding & Eureka. Off Hwy 299.
